

St. Anastasia Cemetery 2010 Memorials

Take advantage of a rare opportunity to add a memorial of a loved one or family name to the St. Anastasia Cemetery's Beautification Project. For more information about this memorial offer, please contact Roger Vacek, cemetery manager, at 320-587-8736.

Prairie Grass and Wildflower Parcel

Cost \$200 each, includes ground prep, seeding, and memorial plaque

Quantity: 7

Placement: In the new North development area, directly over the county tile work (this is a component of St. A's Cemetery Phase II Beautification Project).

Description: Each 900 sq ft parcel comprises the designated area and will be a restored prairie habitat of native plants, song birds, and butterflies. It will be protected and kept natural (un-mowed). Planning was done with professional input from Prairie Restorations, Inc, of Princeton, MN.

Granite Benches

Cost: \$1,900 each, includes installation and engraving

Quantity: 1

Placement: In front of new columbarium.

Description: This 4 ft bench is made of Carnelian granite, the same as our mausoleum and columbarium structures. The granite is fully polished. Includes an engraved memorial statement, up to 25 words, along the edge of the seat (i.e. In Memory of the Smith Family). Additional letters will have a slight up charge of \$2.50 per word.
