WATCH THEREFORE; YOU DO NOT KNOW WHEN THE LORD OF THE HOUSE IS GOMING WHETHER IN THE EVENING; OR AT MIDNIGHT, OR AT COCKCROW, OR IN THE MORNING.

The liturgical season of Advent marks the time of spiritual preparation for Christmas, the coming of our Lord.

The *Catechism* stresses the two-fold meaning of this coming: When the Church celebrates the liturgy of Advent each year, she makes present this ancient expectancy of the Messiah, for by sharing in the long preparation for the Saviors first coming, the faithful renew their ardent desire for His second coming (No. 524).

Therefore, on one hand, the faithful reflect back and celebrate the birth of Jesus into this world, the first coming. On the other hand, we recall in the *Creed* that our Lord will come again to judge the living and the dead and that we must be ready to meet Him.

The Advent Wreathe is a circle, which has no beginning or end: So we call to mind how our lives participate in the eternity of Gods plan of salvation and how we hope to share eternal life in the Kingdom of Heaven. The wreathe is made of fresh plant material, because Christ came to give us new life through His passion, death, and resurrection. Three candles are purple, symbolizing penance, preparation, and sacrifice; the pink candle symbolizes the same but highlights the third Sunday of Advent, Gaudete Sunday, when we rejoice because our preparation is now half-way finished.

The light represents Christ, who entered this world to scatter the darkness of evil and show us the way of righteousness. The progression of lighting candles shows our increasing readiness to meet our Lord. Each family ought to have an Advent wreathe, light it at dinner time, and say prayers. This tradition will help each family keep its focus on the true meaning of Christmas. In all, during Advent we strive to fulfill the opening prayer for the Mass of the First Sunday of Advent: Father in Heaven, ... increase our longing for Christ our Savior and give us the strength to grow in love, that the dawn of His coming may find us rejoicing in His presence and welcoming the light of His truth.

DMA Mailing

Thank you to all who have given to the Diocesan Ministries Appeal. If you have not had the opportunity to make your pledge or gift yet, envelopes are available in the pews or in the back of the church. You may return your pledge in the collection basket or simply drop it in the mail. You may also make your pledge or gift online at https://www.dnu.rg/dma. Either way, your gift will be counted toward your parish goal. Be assured that your gift will only be used to support those ministries designated in the DMA brochure—ministries that are vital to our diocesan church—as well as our own parish projects. At St A's the money will be used to cover unexpected costs related to the COVID 19 pandemic.

God Has a Different Plan

We begin the season of Advent with a heartfelt call for our own repentance. We remember God's faithful love for us, and call upon God to help us to turn back. For "behold, you are angry, and we are sinful" (Isaiah 64:4). In the first reading and in the psalm, we recall God's promises and lament our unfaithfulness and our guilt. We call upon God's might and power in order to save us. With Isaiah, we ask God to "rend the heavens and come down, / with the mountains quaking before you" (Isaiah 63:19).

Yes, God is faithful to us, because we are the work of God's hands. God is the potter, we are the clay. And yet, our concept of how God will come to save us is rooted in our own expectations of a warrior God who crushes mountains and thunders into our lives with great noise and glory. But God has a different plan: the Incarnation. Copyright © J. S. Paluch Co.

Treasures From Our Traditions

Advent calendars appear now in many homes, and newfangled formats are even available on line. Children have fun opening the doors and windows keyed to the days counting down to Christmas. Behind each door is a picture related to the Christmas mystery, perhaps a scripture verse or saying, but more and more these days something totally unconnected to religious life, like a small toy or a chocolate treat, appears instead. The Advent calendar is not very old as traditions go. We can trace it back to German-speaking Christians, both Protestant and Catholic. The oldest known handmade calendar goes back to 1851. and the first printed ones appeared in 1908 in Germany with Bible verses behind the doors. By far the most interesting calendar is a building, the town hall (Rathaus) of Gengenbach in Germany's Black Forest. Every year the townspeople invite an illustrator of children's books to create twenty-four paintings or motifs for each of the twenty-four main windows of the building. Every night the people gather to see a new window opened and illuminated.

Very few commercial Advent calendars pay much attention to the core values of our liturgical calendar: the pivotal place of Sunday, the importance of Advent feasts like Saint Lucy and Saint Nicholas, and the clear shift in tone on December 17 from Advent longing and preparation toward imminent hope in Christ's coming. That kind of creativity is left up to you!

Coming Together in Song XIV

The annual Common Cup Christ-

mas Concert—Coming Together In Song—has become a Hutchinson tradition. This year, because of COVID restrictions, the tradition has a changed a bit. Working with HCVN, Common Cup has put together a DVD/Blu Ray disc of the past 13 concerts' mass choir numbers. It is a lovely reminder of concerts past and a taste of concerts yet to be. You can pick up your copy, for a free will donation, at St A's parish office during regular office hours. A great Christmas gift and easy to mail! All proceeds go to support Common Cup's programs for individuals and families in need.

Our sponsor of the week is **Kim Kotzer, State Farm.** Please show your appreciation by patronizing their business.

Human life is sacred. Men have a responsibility to protect society's most vulnerable. Men's participation in the prolife movement is vital. John Morales shares his story of regret, healing and hope as a testimony to the importance of life.

St Anastasia School News

The month of November was a busy service project month for our students. They participated in many projects.

* All grades wrote letters to veterans for Veteran's Day. These were forwarded to a local Veteran's organization.

* All grades decorated brown paper bags for the Thanksgiving Day takeout meals.

* First graders colored Kindness flyers for the United Way to be delivered to local nursing homes.

* The 3rd/4th graders helped Father Paul and other parishioners recycle missalettes by removing the jackets and prayer cards. Normally we would refill them with the new missalettes but due to COVID restrictions we will continue not having them available.

* One of our upcoming service projects is to decorate our school lobby Christmas tress with hats/mittens and socks to donate to Common Cup.

Our students are active! If you have a service project for us please contact the school office. We are happy to help where we can.

Year End Giving

The end of the year is not far away, and it is time to start thinking of strategies to maximize the tax benefits of yearend giving. Federal tax laws and many state laws make it possible to reduce or eliminate taxes on gift to charities like your parish. diocese, school and other ministries. Remember that only gifts made by Dec 31 can help reduce the amount of taxes you owe next April. Please consult your professional tax advisor for tax strategies for your personal situation. Thank you for your generosity to our parish!
